

Documentchecker gives you access to information on thousands of issued ID documents from over 200 countries and organisations. This unique database offers perfect reference material of passports, ID cards, residence permits, visas and driving licenses, including clear descriptions and HD images of the biographical data page and security features (e.g. watermark, hologram, UV). Within 24 hours your staff can be operating with increased competence in inspecting and validating documents, using knowledge and information derived from government sources.

## ID DOCUMENT COVERAGE PER CONTINENT

**TOTAL IDs**  
**6,458**  
**and 68,237**  
**security features**  
*Current up to July 2020*
