Argentina 2000 pesos

To commemorate the development of science and medicine in Argentina, the Banco Central de la República Argentina issued a new 2,000 pesos banknote, showing Drs. Cecilia Grierson and Ramón Carrillo. This new 2,000 pesos banknote is the country's largest-denomination note.

2000 PESOS (undated, issued on 22 May 2023).

Dimensions: 155 x 70mm.

Watermark: portraits of Ramón Carrillo and Cecilia Grierson.

Security strip: none.

The SPARK Live®Truspin security feature on the right of the face changes colour from green to azure blue, depicting a caduceus on an escutcheon. The face also includes thirty-two raised bars, added for the benefit of the visually impaired (on the left and right), a seethrough and a latent image. The note is printed by CASA DE MONEDA ARGENTINA.
